

St.Maarten Philipsburg July 24th , 2012

Dear,

I am writing this letter on behalf of the St.Maarten-St.Martin Classic Yacht Club Foundation which has been incorporated by the notary office Boekhoudt / Steeman some years ago, on April 22, 2005 to be exact.

The yacht club has evolved over the years, mainly as organizer of the St.Maarten-St.Martin Classic Regatta, towards a grown up family yacht club which is now hosted at the Pasanggrahan Royal Guesthouse and Hotel on Frontstreet (Boardwalk) 19 in Philipsburg.

Members of our club are busy restoring and decorating the little existing bar at the Pasanggrahan into our new club house bar which is scheduled to open with a big splash on Saturday October 6th 2012.

Our Classic Yacht Club is actively seeking new members in the meantime, and I wanted to take the opportunity to send you some information that you may find of interest. Sailing, sail boats, yachts, dinghies, classic boats, sail instructors, shipwright lessons, boat maintenance, spare parts, boat storage, docking, maritime schooling, yachting seminars....we all know, it is very expensive.

Our Foundation supports the opportunity for all youngsters in the community to participate in sailing activities, to experience sailing, to develop their skills and confidence, and to participate in courses and sailing events.

Patronage from our members, family, friends, businesses and the community is extremely important to continue our programs.

To support all the previous mentioned activities, including youth sailing education, on-the-water boating activities, safety courses, organizing the Classic Regatta and other regattas, we need your help.

Membership of the St.Maarten-St.Martin Classic Yacht Club is very reasonable and family oriented.

As a member you will amongst other benefits receive:
